

**U.S. Patent and Trademark Office
Vets 2 Feds Career Development Program
Student Trainee Patent Examiner (Engineering)**

Now Open Through – April 23, 2012

- Are you a veteran searching for a career?
- Are you using your VA or other educational benefits?
- Do you want to continue to serve your country?

If you answered yes to these questions, the USPTO may have a career for you!

The United States Patent and Trademark Office (USPTO) Veteran Intern Program (VIP) for Student Trainee Patent Examiners (Engineering) is designed to recruit and support the development of our Nation's Student Veterans for careers with the Federal Government. As a Student Trainee Patent Examiner with the USPTO, you'll be working with the largest Intellectual Property Rights entity in the nation. You will be supporting economic growth and positioning America as one of the world's top innovators.

This rigorous paid program includes:

- Formal classroom/on-the-job training and experience related to the patent examining career field
- Introduction to patent processes and procedures
- A variety of developmental work assignments
- Mentorship you will not get anywhere else

If you are selected for this opportunity you:

- Can earn a full-time salary of \$30,456 - \$39,590
- Are entitled to a benefits package including paid vacation, sick leave, health and life insurance and paid federal holidays
